# Separating household waste for recycling, a joint effort!

## Textile containers, thrift shop and recycling station

### Textile containers

Take waste clothing and shoes to a textile container, belonging to 'Pastoor Vekemansfonds'. Visit [www.pastoorvekemansfonds.nl](http://www.pastoorvekemansfonds.nl) for a container in your district.

### Thrift shop

Take discarded but still reusable goods (clothing, furniture, household goods) to thrift shop 'Kringloop De Kempen'. At request, goods are picked up at your home address. Visit [www.kringloopdekempen.nl](http://www.kringloopdekempen.nl) for more information.

### Recycling station 'Milieustraat'

Individuals can take all waste that is not collected door-to-door to recycling station 'Milieustraat' (rubble, building and construction waste, white and brown goods). Maximum overall amount of sorted waste is 2 cubic meters. Proof of identity is necessary.

Visit [www.veldhoven.nl/milieustraat](http://www.veldhoven.nl/milieustraat) for more information.

**Take to collection point**

## Household hazardous waste (KCA)

Household hazardous waste translates in Dutch as 'Klein Chemisch Afval' (KCA). This includes:

Batteries, insecticides, mercury-containing products

Insecticides, spray cans

Thinner, turpentine, aerosols with content, paint waste and paint remover

Medicines

Every district is visited by the 'Chemo car' twice a year. You can take your KCA there. Visiting dates and locations are available at [www.veldhoven.nl/afvalkalender](http://www.veldhoven.nl/afvalkalender). You can take KCA also to the recycling station 'Milieustraat' (free of charge).

**Take to Chemo car**

### Attention!

For information on residual waste containing chemical residues, visit [www.veldhoven.nl/afvalinzameling](http://www.veldhoven.nl/afvalinzameling) and check the waste-alphabet.

## Waste paper and cardboard

Printer and writing paper, envelopes, leaflets, newspapers and magazines

cardboard, egg cartons, cereal boxes

Visit [www.veldhoven.nl/afvalkalender](http://www.veldhoven.nl/afvalkalender) for collection dates. You can take waste paper and cardboard also to the recycling station (free of charge).

**Collected monthly**

### Waste calendar

Visit [www.veldhoven.nl/afvalkalender](http://www.veldhoven.nl/afvalkalender) and enter your postal code and house number for collection dates. You can print or save an annual overview of collection dates. It is also possible to add the dates as iCal-file to your digital diary.

## Waste glass

Take empty bottles and jars (no window glass, pyrex glass) to a collection point for recycling glass ('glasbak') in your district. Dumpsters are placed in streets below:

- ◆ Braak
- ◆ Bree
- ◆ Burgemeester van Hoofflaan
- ◆ Canopus
- ◆ De Plaatse
- ◆ Dommelshei
- ◆ Geer
- ◆ Houtwal
- ◆ Kruisstraat
- ◆ Lei
- ◆ Mariaplein
- ◆ Oerle (centre)
- ◆ square d'Ekker (Lange Kruisweg)
- ◆ Rapportstraat
- ◆ Shopping centre 't Look

**Take to collection point**

Please take all other types of glass to the recycling station 'Milieustraat' (free of charge).
