Market trends and the WOZ value

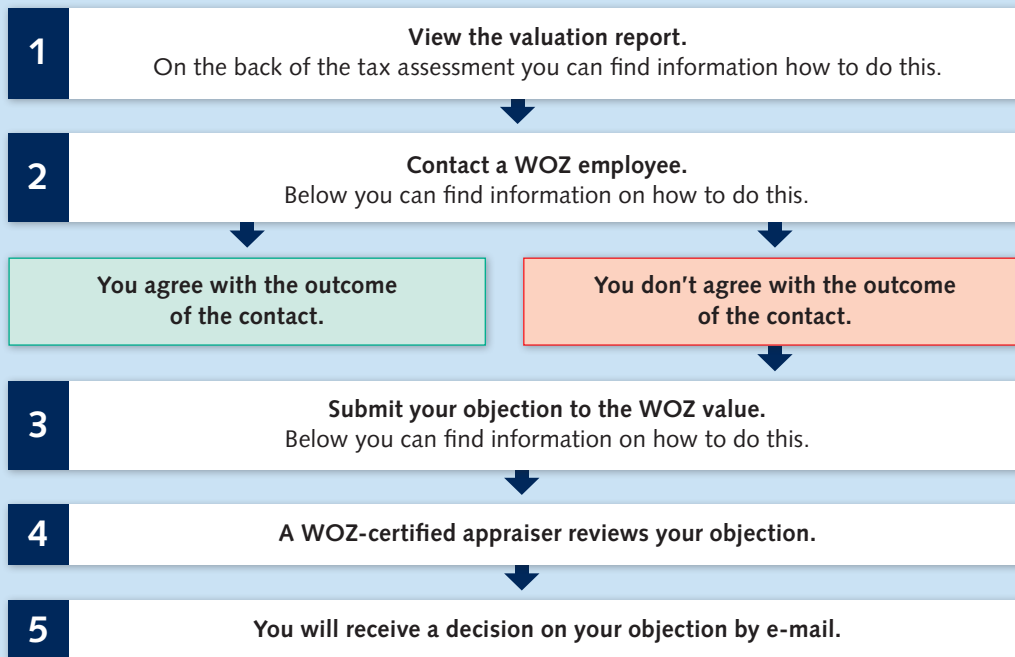

Based on the WOZ value (property valuation) and the ozb rate (property tax rate), we determine the amount of property tax you have to pay. The WOZ value is the resale value of the property on January 1st of the previous year: the value reference date. So for the WOZ value for tax year 2024, the legal value reference date is January 1st, 2023. What is currently happening on the housing market does not yet affect the WOZ value for tax year 2024. To determine the WOZ value, the municipality examines selling prices of comparable houses in the period from one year before to one year after the value reference date:

Attachment municipal tax assessment

Do you disagree with the WOZ value (assessed market value) of your property? Do you want to file an objection?

You can easily check the WOZ value of your property. If you don't agree, submitting an objection is easy, just follow the steps below.

Contact a WOZ employee

Do you disagree with the assessed WOZ value? Or do you have any questions? Please contact us within 3 weeks after the date of the tax assessment. You can do this as follows:

- Scan the QR code above or go to www.veldhoven.nl/english/objection-to-tax-demand. Fill in the online form *Contact WOZ-waarde 2024* (Dutch only) via the green button "Contact about the WOZ value 2024".

Objecting to the WOZ value

You can easily and quickly file an objection yourself. This is how to do it:

- Scan the QR code above or go to www.veldhoven.nl/english/objection-to-tax-demand. Fill in the online form *Bezwaar indienen WOZ* (Dutch only) via the green button "File an objection to the WOZ value".
- Or send us a letter explaining why you do not agree with the WOZ value. Our website contains a sample letter that you can use. Please do not forget to sign the letter. Send your letter to the tax officer of the municipality of Veldhoven, Postbus 10101, 5500 GA Veldhoven. Please note: this objection must be filed within six weeks after the date of the tax assessment. If you object, you still have to pay the assessed amount. Overpaid taxes will be refunded.

Why file your own objection?

There are agencies that file objections to the WOZ value on your behalf "free of charge". But objecting to the municipality is always free of charge. The agencies do a lot of advertising. They work on a no cure, no pay basis. When handling these objections, the municipality must pay the agencies a considerable fee. These costs are ultimately charged to the Veldhoven taxpayer.

Are you making use of an agency?

It is a free choice to hire an agency. Please read the conditions carefully before filling in your details or signing any form.
